This central portion is spread over two levels with functional and well-distributed spaces:

- Ground floor living area with a large 41 sqm living room, south-facing and extremely bright. The kitchenette faces north, ensuring optimal interior organization and functional separation of spaces.
 - Private garden of approximately 60 sqm, ideal for outdoor living, dining with friends or relaxing in total privacy.
 - 18 sqm garage with motorized door. The ground floor is completed by a technical room, hallway, and a windowed bathroom with shower.
 - First floor: 14.51 sqm master bedroom with 3.10 m high ceiling, providing brightness and a spacious feel.
 - Two additional generously sized attic rooms - one of 21.90 sqm and one of 17.54 sqm - with variable ceiling heights and skylights: versatile spaces ideal as bedrooms, home office or relaxation area.
 - A windowed bathroom with shower and a hallway complete the floor.
- Possibility to customize floors and wall coverings according to your taste, making this a truly tailor-made home.
